The Harvest

What do you think of at this time of year? What is it that you like about the month of October?

While growing up in Louisiana, we didn't really have "seasons". The temperatures seemed to go from "hot" to "warm" with some cool days here and there.

In our area we really can appreciate having all four seasons and what they have to offer. The temperatures are now turning cooler, with the touch of fall in the air. Football fever is in full swing and the trees are beginning to show their fall colors. The farmers' markets are stocked with wonderful fruits of the fall harvest. Soon, as the markets begin to wind down for the year, we can look back and appreciate all that their harvests have provided.

In the readings of Matthew, Jesus challenges us to be both the sower and the seed: to sow seeds of encouragement, joy, and forgiveness no matter what ground on which they are scattered. Somewhat like the farmers, we may be able to plant spiritual seeds in others that allow a bountiful harvest. We may never know how much it means to give an encouraging word, provide an act of kindness or take a moment to listen. These simple acts could result in a harvest of hope that we might not understand. We just need to trust that God will nurture the seeds we plant.

Last month I was blessed to serve on E-158. It was a power-full weekend. God used the team to plant seeds in the hearts of the pilgrims through the talks, our actions and the

music. The pilgrims shared beautifully and honestly how their spiritual lives were impacted on the weekend.

In our Emmaus community we have planted seeds in the hearts of more than eighty-five pilgrims, so far this year, and we still have another weekend in November. Whether we serve on a team, write encouraging notes, serve as prayer warriors or provide support in any number of ways, we are all part of the Body of Christ, providing a harvest of hope and love to others.

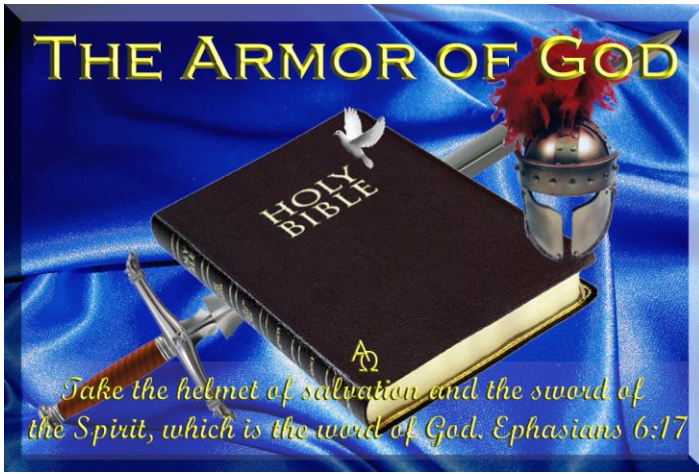

De Colores,
Annette

The Armor of God

One of the abundantly gracious blessings God gives us to help us make it through this difficult life in this fallen world is, at long last, in full gear at this time of year. Football! High Schoolers are playing the game this time of year in hopes of college scholarships and dates for the homecoming dance. College students are playing the game this time of year in hopes of professional contracts or, for some, just out of a pure and simple love of the game. Our Redskins are playing the game for “Gagillions” of dollars and, hopefully, to make us proud to live nearby.

Whether you love the Autumnal football season or couldn't care less about such pugilistic Neanderthalism, one scripture comes to my mind as I watch the men and boys (and the occasional exemplary gal) struggle on the gridiron:

“Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints.” (Ephesians 6:10-18)

Pay special attention to the equipment we are issued for battle in this text, the armor of God. Instead of helmets and shoulder pads and knee pads and mouth guards, let us spiritual warriors gird ourselves with knowledge of salvation, guard our hearts with righteousness, secure ourselves with truth, be quickened with the Gospel of peace, be shielded by faith, and be bound together with prayer.

Remember that whether or not you like Football, you are yourself engaged in a great and mighty conflict. But the Good News is that Christ has already won the battle and that we are fully equipped to face whatever spiritual opposition might come our way. Go team Jesus! De Colores!

COMMUNITY PALANCA

I am the Community Palanca Cha. I need volunteers to make placemats for me. We need 270 decorated placemats for each team that goes to the Mountain.

I will have blank placemats at the Ultreyas each month. You can create your own design, either free hand, trace from a coloring book, use markers, glitter and glue to create your designs. You can either do them yourselves or get your Sunday School classes to do them. The pilgrims really like them when they come from the children. There are two kinds needed: the ones that are decorated with cute pictures and words, and ones that specifically say "DeColores". It does not matter what the picture is, it only needs to say "DeColores" somewhere on the placemat. If you wish to make a set for a specific weekend that is great but you need to mark the envelope this is for E-# and I will make sure it goes on that weekend.

You can do placemats for Chrysalis they need the same decorated and instead of saying DeColores they say FLY WITH CHRIST. If you want to do them for Chrysalis you can get them from Terry Downer and return them to her or you can give them to me and I will make sure she gets them.

Or what about your cloth Palanca bags that you received on Friday. How many of you sew? You can go to your fabric store and pick up some material. Rainbow material works well, I guess because most people don't want to use it as a dress. I will have the dimensions available for you if you're interested at the Ultreya.

Do you remember your Joy Flag Parade? Joy flags are always needed. These can be made from paper or fabric, and can be as simple or intricate as you desire, as long as they say "Joy" somewhere on the flag. These should always be the pennant shape, too. You may also specify the joy flags for specific weekend also.

First stones are simple. Go outside, pick up a rock, and write "First" on it. Please write "F-I-R-S-T" and not "I-S-T" on it. We have felt for the "I'm Lovable" flower pin that you received on Friday. Men get a pennant-shaped ribbon, and felt is available for both. Do you remember being showered

with Warm Fuzzies on Sunday? If you love yarn, then this is the project for you.

At the Ultreyas there will be the prayer wheel for you to sign up to pray and also, there will be a sheet passed that will have snacks for the weekend. You can sign at the Ultreyas. Food for the weekends needs to get to the Head Cha before Tuesday of the week that the team is going unless you are sponsoring someone and will be going to the mountain on Thursday.

Where do I get all of the material or instructions, you may ask. Well, you can pick up placemats, felt for flowers and banners, and yarn for warm fuzzes at the Ultreya each month. You can also pick up or return items at the Ultreya. There is usually a table near the church's entrance where items are placed. Or you can find me and hand items to me.

If you're not available to attend the Ultreya, you can contact me. My email address is LindaL.Smith999@verizon.net and phone number is 703- 216-2469. And if you're concerned about getting an item to me quickly, we can always keep in touch by phone and work out something. If you are willing to serve as Palanca Chairman for your church please fill out the information on the clipboard that I will have at each Ultreya in the front. Please list which items your group is interested in doing, so when I am running low on items I can contact the chairman.

If you are in a reunion group this is a good project that you could do. So, check with your group and see what items you all would love to do. If someone from your church has already signed up then you don't need to. I am looking forward to working with you!

Thank you and DeColores!

C-80 will take place over Martin Luther King Jr. holiday weekend January 13-16 at the 4-H Center in Front Royal, VA. Please prayerfully consider sponsoring some youth and get those Caterpillar (Bug) applications in ASAP! Youth ages 14-18 may attend as long as they have completed their first few months of High School.

Plus the Chrysalis Bumper Magnets & Shirts we're selling would make the perfect gift for Agape! We're selling the following Chrysalis items to replenish our scholarship funds...

Bumper Magnets	\$7
Short Sleeve T-Shirts	\$10
Long Sleeve T-Shirts	\$15

A Message from the "R"

Our weekend song: "*I Will Follow*" by Chris Tomlin

"My sheep hear my voice, and I know them, and they follow me." John 10:27

This weekend has been 10 years in the making. Once we are up on the mountain in November, it will have been exactly 10 years since I went on my own Walk To Emmaus. In that time, I have truly lived the words that I spoke at my closing, "It just keeps getting better". And it has. My walk has been all about learning what it really means to be a follower of Jesus, to truly be a doer of the Word and not a hearer only, and to walk humbly with our Lord. God has put together an AWESOME team (doesn't he always?) and we are having a blast getting to know one another as we learn our jobs and follow His leading. We have had to endure many attacks from Satan, the most difficult was the untimely passing of our brother in Christ, Tom Pfemister. Though we are going up on the mountain with 23, we know that Tom's spirit will be with us. I pray that we touch the lives of each and every pilgrim God blesses us with, and that above all else, He be glorified in our efforts.

2012 Board Nominees

Elections will be held at the November Annual Meeting/Ultreya at St. Paul United Methodist Church in Woodbridge on November 18, 2011. NCAE community members must be present to vote.

Women Nominees (Vote for 3)

Beverly Barthaier

I have attended Masonville/Rancocas Church in Mt. Laurel, NJ, for 20 years. I am on several committees, and currently I am the Lay Leader and a Certified Lay speaker. I walked on NCA Emmaus 92 and have teamed 7 times in VA and once in NJ. I have also have attended the ultreyas when time and work permitted. I am now retired (thank the Lord) and will have more time to give to the Emmaus community. I feel the Lord is leading me to be with the Emmaus group in Virginia and to help where I am most needed. Thank you for asking me to consider being on the ballot, and if elected will serve prayerfully.

Vickie Carroll

I worship at Park Valley Church in Haymarket, VA. I walked on E 146 and sat at the table of Patience. When I received an invitation to attend E146, I wasn't sure what to expect, but during that weekend I felt the presence of the Lord very powerfully. As I listened to the talks, I became filled with the desire to serve Him with my heart, mind and strength. I was infused with a joy like none I had ever experienced. And I knew that I wanted to pass that on to others. I became His disciple on my weekend. When I returned to church after the weekend, I began to serve in every way I could. My husband Charlie and I have served as the coordinators for the Welcome Team, hosted a small group in our home, taught classes on Discipleship and Stewardship and followed up with visitors who attended our church for the first time. We also mentor young adults in living out God's plan for their lives.

Emmaus is my ministry. I have sponsored five pilgrims and served on two teams, E154 and E158. I believe that attending a weekend is a wonderful way to get closer to Jesus and begin to see His plan for your life. I keep in touch with the pilgrims I have sponsored and many other of the ladies, both pilgrim and team, that have attended the weekends that I participated in. I am active in the community and love the worship at ultreyas. I would be honored to further support the Emmaus Ministry by serving on the board. Thank you.

Marsha Dawn Lunceford

I worship at Calvary United Methodist Church. I walked on E-55 and have served on 6 NCAE teams. In addition, I have served on 4 Chrysalis teams, 2 Kairos teams, and on Kairos Outside of Northern Virginia. I want to serve on the board because I want to give back to my community. God has been telling me for a long time to serve and now is the time. The theme of my walk was "Jesus loves me," and I know that God loves me all the time through the Holy Spirit.

Amy Phillips

I worship at St. Paul United Methodist Church in Woodbridge, VA. I walked on C51 and sat at the table of the Smiling Blossoms. I have sung "Via Dolorosa" for 3 or 4 Emmaus weekends. I joined my first Chrysalis team on C62. After learning that Emmaus was looking for some young faces to team and being encouraged, I applied and was called to team on the E152 team, and afterwards I was called to team on E155. God has definitely used the Emmaus community to bless me in many ways and to help me to see abilities in myself that I never knew that I had. It would be an honor to serve on the board and to help facilitate this wonderful blessing for others

Diane Smith

I worship at Clarendon United Methodist Church. I walked on E-80, and I have served on 11 teams, including being Rectora for E-150. I have served on the board previously, and I was the community manuals chairperson for 4 years. I thoroughly enjoyed serving on the board and feel that I want to offer my services again in this capacity.

Kathy Woodley

I walked on E-105, and I attend Franconia United Methodist Church in Franconia, VA. I have served on several teams, most recently answering the call to serve on E-160 in March 2012. I am a member of a wonderful reunion group. I am involved in my local church and have recently been commissioned as a Stephen Minister. In addition, I have held numerous positions on various committees, as well as teaching Sunday School and VBS. I participate in Community Bible Study at First Baptist Church in Alexandria. My husband Doug walked on E-110 and together we enjoy participating in monthly ultreyas, mananitas, praying for the team, pilgrims and community and by blessing the team and pilgrims with palanca.

We have 2 children and 3 grandchildren. I retired from Fairfax County Public Schools in 2010 where I was an elementary school principal. As a member of the Emmaus Community, my faith journey has been blessed in so many ways and my life has been enriched by the special friends and experiences God has placed in my life. I would like to "Pay it Forward" by serving on the Emmaus Board where I would listen to and represent members of the community. I would be honored to serve on the Emmaus Board and if elected, I promise to prayerfully consider all decisions I am asked to make.

Men Nominees (Vote for 2)

Jack Christie

After all these years, I'm finally able to throw my hat into the ring. I worship with the NOVA Catholic Community in Arlington, I walked on E-83 in March 1999 and sat at the table of Symbols of the Cross (clap). Grandchildren sitting duties have prevented my serving on the board before, but as they all start school full time, I find additional free time. I

have served on ten teams, in a variety of positions, including as Rector on E-153 last year. I've attended many mananitas and ultreyas over the years to remain in touch with the NCA Community. I believe Emmaus is one of the greatest programs for bringing others to know Christ more fully, but also for providing an opportunity to work side by side with our brothers and sisters from the spectrum of Christian faith experiences. DeColores!

Mark Robert Fahner

I worship at Oakton United Methodist Church in Oakton, VA, where I am an active member of the United Methodist Men (UMM). I am the former president of the Arlington District UMM. I am a board member of the Virginia UMC Conference Commission on Disabilities. I walked on E-125 in June 2005. I have teamed on 6 NCAE weekends and have been the photographer for several weekends. I am a member of 2 reunion groups. In addition, I have served on two Kairos teams at the Greensville Correctional Center in Jarratt, VA. I am excited to have the opportunity to serve God and the NCAE Community as a member of the board. I believe that I have the experience and the talent to serve and to help NCAE maintain the level of excellence it has achieved over the year.

Bill Zachman

My wife, Catherine, and I have been a part of the Emmaus community since 2005. I walked on E-127 and was incredibly blessed by the tangible demonstration of the love of our Lord Jesus illustrated by all the activities of the weekend. Since that weekend I have served on 4 teams and participated in many community activities including Ultreyas, Mananitas, and sponsorship. My relationship with the Lord has grown tremendously through my participation in the community and I look forward to any opportunity to share this experience with others. My family and I worship at Grace Baptist Church, Woodbridge, Va. I lead a small bible study and fellowship group and I serve on the ministry council. I know the Lord is using Emmaus to transform hearts and to equip believers for service in the Kingdom of God. I would be excited for the opportunity to serve the community as a board member if elected
